While we are still working out the full details of weddings in 2027, here is what we can tell you.

LOCATION:

- Back Southside of the Sunken Garden at the Wedding Arch
- The Conservatory or other areas of the Sunken Garden cannot be rented for weddings.

DATES & TIMES:

- Weddings can be held on Thursdays, Fridays and Saturdays, from June 3rd to October 2nd, 2027. There may be certain dates within that range that are not available due to other events in the Park.
- Wedding rental packages are 4 hours long. Only one wedding can occur on a given day, in that regard.
- Weddings will occur in the time frame of 10-2 pm. How those 4 hours are used is up to the renting party. 4 hours allows for setup, ceremony, photos and teardown. Photos can only be taken outside. The Conservatory will not be available for shooting.

AMENITIES:

- Rental packages are for ceremonies only. Receptions can take place in one of the shelters or an off-site rental hall. This also means food and drink are not permitted during ceremonies.
- Weddings can be standing only or with up to 150 chairs provided. If you choose the standing only package, you are permitted to bring 10 or less folding chairs for individuals with mobility or standing issues. Otherwise, chairs are not permitted for that package.
- Portable restrooms will be available for attendees. The Conservatory restroom is also available, if a person wants to pay that day's admission. The Conservatory restroom, is just that, and not a changing facility.
- We can accommodate weddings of up to 150 people.
- There will be times available for booking a rehearsal.

BOOKING & PAYMENT

- Weddings must be booked at least one month in advance. In future years, we will open weddings for the following year in November, for booking. That is as far out as we will book. We will not book the year after the upcoming year, until November.
- A refundable damage deposit will be required as initial payment. Weddings must be paid in full one month prior to the event date.
