Welcome to the Garfield Park Conservatory—Photoshoot Availability Calendar

How to use this calendar:

1. Dates shaded in blue are not available in either space, the Conservatory or Sunken Garden. Do not ask.
2. Dates shaded in green are for Sunken Garden only photoshoots and should be available, but can be confirmed to be available by staff.
3. Dates that are white are for the Conservatory and Sunken Garden use and should be available, but can be confirmed to be available by staff.
4. Some dates have exceptions. You will see where we have noted when the fountains will be on or off and when there will or won't be outdoor flower displays. This is so you can plan your shoots around these conditions.
5. The Conservatory is only available Tues-Fri between the hours of 11 am and 4 pm (3-4 pm being the latest time slot we offer). The Sunken Garden is available Tues-Sat 10 am—4 pm (again 3-4 pm being the latest) and Sun 1-4 pm.
6. Photoshoot timeslots are for 1 hour and we cannot book more than 1 hour at a time.
7. Photoshoots must be booked two weeks in advance. So if your desired date is in blue, likely it's less than 2 weeks away and not available. Permits take time for us to get in the system and collect payment on. A permit cannot be issued on the spot or for any day less than 2 weeks away.
8. If you have any questions, not addressed here please reach out to us at gpcons@indy.gov

OCTOBER 2026

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
You can use the Sunken Garden, however, the Conservatory is likely the best space to use this time of year, as there are no flowers outside and no fountains.				1	2	3
